Notes from field trip director John Breen:

This is going to be an unscripted walkabout starting at 10:00. We will meet at the welcome sign adjacent to the parking lot and start the tour at 10:00. Tripods are allowed and encouraged. There are a lot of gardens and walking paths in the park so it is reasonable to spend about 3 hours walking around the gardens taking pictures. There is a bird that looks like a green heron or a lesser bittern. Try to get a picture of this bird. The best pic wins.

At 1:00, we can meet at the visitor's center near the entrance of the park to determine where to go for lunch.

Send pictures to: dirfieldtrips@digitalphotoclub.net by midnight August 5th.
