### **Notes from field trip leader John Breen:**

This is going to be an unscripted walkabout starting at 10:00. We will venture out in small groups to walk up and down different streets to view and photograph the plentiful basket displays.

Tripods are allowed, but please be mindful of other people trying to navigate around the downtown area and don't block any sidewalks.

Lunch will probably be at Galway Bay. They open at 11:00, so the lunch menu should be ready to serve by 12:00. If someone has a better suggestion, please feel free to bring it up at the 10:00 meetup and we will vote on it as a group.

**Send pictures to:** [dirfieldtrips@digitalphotoclub.net](mailto:dirfieldtrips@digitalphotoclub.net) by midnight May 29th for presentation at the June 5th meeting.
