

## Photo Field Trip

Saturday, January 28 from 10:00 am to Noon

We'll be at Second Chance in Baltimore, warehouses of reclaimed items such as furniture, appliances, lights, flooring, antiques, and hardware. Second Chance is moving to this location on the 26th from their current warehouses a few blocks away. The warehouses aren't heated, but we'll be indoors. Lighting is mixed so a tripod is recommended.

Address and Directions:

1700 Ridgely St., Baltimore (at Bush St.)

If you're coming up 295 from the South you'll need to take a right at the first light when the freeway ends (There is no left turn from 295/Russell St.).

Make a U-turn and then go across 295/Russell St.

Make a left on Ridgely one block after crossing 295/Russell St.
