

# Conowingo Dam

## Saturday, November 1, 2008

Sunrise is around 6:30 am for any diehards that want first light. I will be there by 8:00 am and plan to stay until at least 11:00.

The dam is located approximately 43 miles from I-95 and the North side of the Baltimore beltway.

Directions:

Take I-95 to exit 77B, Route 24, towards Bel Air

In about 8.2 miles, Route 24 becomes/merges into Route 1 North

Take Route 1 North about 14 miles to the dam

About 700 feet before crossing over the dam on Route 1 take a right on Shuresville Road

Take a left in 250 feet into a parking lot and then follow a road to the right to get down to the parking along the water.

Contact Matthew Korbelak at 410-903-5088 with any questions.
