

Washington DC Monuments Field Trip

Saturday, October 17, 2009

Meet at the Washington Monument (Near the Entrance) at 10:00 am
Wear comfortable walking attire. Bad weather will be answered by a trip to the Smithsonian Museum of American History. We'll photograph in the following order: Washington, WWII, Korean War, Lincoln, Vietnam Veterans. Depending on the group size and enthusiasm, we may also try to get to Jefferson and FDR. After monument photography, the loose plan is to have lunch together to review and upload photos. Look for Matt – tall, thin guy with a Nikon SLR, black hat and red backpack.

Call Matt Korbelak at 410-903-5088 with any concerns (car pool, running late, etc.)
