"A Photographers Eye"

We are very fortunate to have the opportunity to show our pictures at nearby Quiet Waters Park from August 2 to September 23 in a show named "A Photographers Eye".

Our DPCA Showcase and Challenge entries show our substantial talent, so I encourage every member to make multiple entries. Dig into your computer for those great images! With our spacious venue there are no size limitations on your framed picture.

Karen Messick made a super presentation to us last fall and has agreed to be the Juror.

This is an exceptional exhibit- exceptional because it is a great setting, we can show off our skills, many visitors will attend, and we can hang about 80 pictures.
